Prolific barn star artist and hex sign painter Eric Claypoole of Lenhartsville, Berks County, has reached a milestone of 100 decorated barns over the course of his 50 year career. This monumental achievement marks an all-new threshold for the tradition of barn star painting in the region, and extends well beyond the statistics for any known barn artist in the history of the Pennsylvania Dutch.

Join Eric in this photographic exploration of his life and work, cataloging selections from his colorful, collaborative career painting barns throughout nine counties in the Pennsylvania Dutch cultural region. Witness in full-color how Eric has ensured that this vibrant folk-cultural tradition will continue throughout the 21st century.
